From The A/Principal - Dan Hollis

White Rock State School is a great school! This is the feedback I am receiving from other schools, community members, parents and most importantly from our students. But what makes our school great?

It is my opinion that one of the most important characteristics of a great school, is its connectedness to the community. Recently I asked students during recess breaks what they thought makes a great school and I would like to share some of their responses.

- Teachers who care and challenge us
- When I see my parents talking with my teacher
- When I learn new things
- Playing with my friends at lunch time
- Having music lessons
- Using the computers

As you can see there are lots of things that make a great school. Thank you to all parents who are active in our school community. Please feel free to get involved with our school and come join us on the 2nd Monday of each month at our P&C meeting in the Library Classroom. Hope to see you there!

Advancing Education:
Science, Maths, Coding & Robotics.
There are so many great extension and extra-curricular activities currently under way at White Rock SS. We have Robotics, Coding Clubs, Optiminds, Wonders of Science Programme and Science visits to Woree SHS. We are really buzzing with energy and engagement this term and we will keep you informed with lots of pictures and stories of the students.

Do you want school information at your fingertips? Read this newsletter, and all the back copies, on your device within seconds?
Wish you could get important school reminders and events pop up on your phone?
Download the Qschools App now!
The app is easy to use and navigate and will give you our contact details, latest school news, calendar events, newsletters, tuckshop menus, uniform shop info, important school messages and most importantly will allow us to send you occasional school messages to your front screen - make sure you tick the two boxes in ‘Settings’ within the app to allow us to send these to you.

QR codes are displayed at the school tuckshop, office and outside the hall to enable a quick download of the app or come and see Lisa Doyle in the office who will help you.

The OptiMINDS challenges have begun and the two teams have been working hard for the last few weeks in their different challenges.

Team 1 (our Yr 5/6 team) are working on a language challenge where they were asked to write and perform a story which included a rebus, raconteur and a character who speaks solely in riddles. They’ve made good progress and have completed their script and some of their props.

Team 2 (Our Yr 4 team) set themselves the difficult task of completing the science challenge where they have to create a device that moved an object from one place to the other multiple times on a single activation (think pendulum). Progress has been solid but there have been some difficulties trying to work out some of the cryptic words. Overall the teams are almost halfway through and are looking forward to performing their solution at JCU on the 28th August.

Optiminds News

James in 6A won a $20 Coles Myer voucher in the draw of regular student savers at this school. Come and see the office for info on how to start your child on a lifetime of saving.

Green Thumb Groundsman, Mr Gibbs, has supplied Tuckshop with a crate of oranges that have been cut and frozen as FREE treats for the kids. First in Best Dressed!

Super Sania

Congratulations to Sania who is in Grade 6 and has made it into the ‘Peninsula Team’ for girls Rugby League.

The coach told Mr McLaren that Sania “….has a big heart and can read the game very well.” Sania was rewarded with a pink Cowboys Rugby cap for doing the best tackle of the tournament.

She will be heading south to Brisbane with her team to compete against other regions in the next school holidays. All the best Sania, and good luck from all of us at WRSS.

Tuck Shop News

There is no better time to volunteer at our fantastic Tuckshop - we are now registered with Centrelink, so that the regular time you are able to give us in the canteen counts towards your Mutual Obligation.

Mutual Obligation registered.

If you can offer regular hours each week we would love to talk to you.

You will always be finished by 12 o’clock and no experience is necessary. A full fun shift is 4 hours, but there are jobs for you even if you can only commit to one hour a week on a set day. Full training will be given and you will gain new skills while working as part of a friendly team.

Call or come in and talk to Leesa Jarvis in the Tuckshop

Ghana Beat My Drum

Ghana Beat My Drum incorporates audience participation, singing, dancing and drumming to leave audiences feeling exhilarated and inspired as well as enlightened in the ways and culture of Africa and more particularly Ghana.

Jonas teaches students words from the local languages, Ga Tui Mzema and Effutu and with their newly learnt words Jonas gets the entire audience participating in traditional call and response songs.

Students learn how many traditional African instruments are made from easy to find natural resources. Shekere “pronounced She-Ka-Re” is the name of the African percussion instrument made from the dried fruit of the gourd vine and loosely covered with a wide decorative band of beads. The sound is produced by holding the outer cover of beads in one hand and twisting the gourd across them or simply shaking the entire instrument. Add to all this Jonas’ wide smile and infectious laugh and what you get is a truly memorable, lively and uplifting, feel good show.

Jonas Tandoh was born in Ghana and has been a full time musician since the age of seventeen. He has played in numerous bands and toured across Australia supporting bands such as Osibisa and Ziggy Marley and has still found time to tour schools Australia wide for the past twenty years.

**Year 6 Transition**

Bentley Park College are visiting White Rock State School Thurs 11 Aug. Letter sent home last week.

Woree SHS Transition Day Wed 14 Sept
Ghaeddia was spotted in the library during breaktime yesterday reading aloud to her two friends. The book she had chosen was The Tale of Jemima Puddle-Duck. “The illustrations grabbed me when I was browsing today,” she said. “the colours were so pretty and the story seems really lovely.”

Fellow 2B student Haylee was showing her friends her favourite book, The Perfect Present by Fiona Robertson.

“It’s about a boy that gets a present that is a dog, he loves the dog but the dog feels left out and runs off with the ducks. It all works out well in the end but the reason I like it so much is because they all work hard to come up with a solution that makes everybody happy,” she said.

The pictures make me smile and so I wanted to show it to my friends today.

Miss Kippin just loves Mem Fox’s Possum Magic and wants every child in the world to read it.

My favourite book is "Possum Magic" by Mem Fox. Now considered a modern Australian Classic it was runner up for the "Children's Book of the Year" in ‘84.

It has since become Australia's most popular picture book and no-one even remembers the name of the book that actually won. I have loved it since I first read it because it is just so Australian. It is full of Australian animals, places and classic Australian food like pavlova and lamingtons and vegemite sandwiches.

Julie Vivas is my favourite illustrator and her illustrations for this book are just magical. She manages to make the animals look so real and yet so human at the same time. My Grandma always wore an apron the same as the one Grandma Poss wears and Hush is just the cutest cuddliest baby possum so I just had to have one.

Miss Kippin

Ghaeddia from 2B has fallen for the Beatrix Potter books.

The Neat & Tidy Classroom

Last Week’s winners were: 3B and 1C

Our Music teacher, Mrs Jackson, and our PE teacher, Mr McLaren, put their heads together each week and agree on who has been the Class of the Week.

These two teachers see the children outside of their classroom environment each week and are looking for the class that is the most orderly way and whose overall behaviour represents our school in the highest way.

Mrs Jackson said “The students don’t have to be the best musicians, but what they do need to show me is that they are trying their very best.

The award is announced on Parade each Wednesday.

Last week:
Upper School: 4B
Lower School: P/1D

When asked who is the standout class in her eyes there was no hesitation, Mrs Sabatino said “6B. Mr Greenes Class. They are the shining example of a neat and tidy class week in and week out.”

Each week The Tidy Classroom Award is given to one lower school class (Prep to Grade 2) and one upper school class (Grade 3 to Grade 6).

When asked who is the standout class in her eyes there was no hesitation, Mrs Sabatino said “6B. Mr Greenes Class. They are the shining example of a neat and tidy class week in and week out.”

When asked who is the standout class in her eyes there was no hesitation, Mrs Sabatino said “6B. Mr Greenes Class. They are the shining example of a neat and tidy class week in and week out.”

Each week our super hardworking Cleaning Supervisor, Patty Sabatino, judges each classroom looking for the class that left their room neat and tidy at the end of the day and the winners are announced on Parade.

“I am looking for the class that cares the most for their surroundings and takes the time to tidy and not walk out leaving a mess at home time for my team to deal with when they should be doing more major cleaning work”, said Mrs Sabatino, “To be able to walk into a classroom and vacuum without first having to pick up no end debris is just a blessing to us!”

When asked who is the standout class in her eyes there was no hesitation, Mrs Sabatino said “6B. Mr Greenes Class. They are the shining example of a neat and tidy class week in and week out.”
This PLAY based Literacy and Numeracy Families As First Teachers group is for children and their families from birth to Pre-Prep age. Families are welcome each Thursday morning from 9am to 11am at the front of White Rock State School hall. Families as First Teachers supports children and their families to make successful transitions from home to early childhood education. FaFT encourages family members to get involved in fun interactive learning sessions at school and at home.

Next week we will be doing:

Stepping Stone Board Game - This activity helps children practise their counting. It also helps them to learn to take turns and wait while others have their turn. Come and join us each week, there is no cost and we would love to see you.

District Sports 2017

Just over 40 White Rock students proudly represented their school at the Peninsula athletic trials held at Woree State School on Friday 29th July.

It was great to see everyone putting in so much effort in their events and trying their absolute hardest to win.

Thanks to all the families who came and supported our athletes. Thanks you to Mr Gower for taking high jump mats to the school and to Mrs Peeters and Mr Prior for helping with the children and events throughout the day. Mr McLaren co-ordinated our school operation on the day.

Nefi, in particular, has been training hard in her own time to further improve her long jump.

The children listed in the table to the right will now be heading to Barlow Park on Sunday/Monday the 14th/15th August to try and make it into the ‘Peninsula Team.’ Good luck and make White Rock proud.

**Community**

Wuchopperen Health Service are conducting Hearing Screening on Tuesdays and Wednesdays in August at our school. If you would like your child checked please see your child’s teacher or see the office for a form.

**Community**

Cairns Regional Council is conducting a wide-ranging community survey called *Our Cairns.*

This is your opportunity to tell Council what sort of Cairns you want to live in and what’s important to you. Go online to [www.cairns.qld.gov.au/ourcairns](http://www.cairns.qld.gov.au/ourcairns) and fill out the survey.

You can also go into the draw to win some prizes if you leave your name and email address.

The survey will be available from 1 – 31 August. *Be Heard! Do the Survey!*

---

**The Spirit of Anzac Centenary Experience**

The multi-million dollar, state-of-the-art touring exhibition will be presented at The Fred Moule Exhibition Centre 14-20 August 2016. You will be surprised how much there is to learn and understand about the First World War and the Anzac Centenary.

The Experience features an extensive collection of military artifacts and interpretive materials spanning all wars, conflicts and peacekeeping operations with Australian involvement from pre-war Australia to the present day.

Cairns will be one of only five towns in Queensland to present the free exhibition with other stops in Brisbane, Toowoomba, Mackay and Townsville.

The Experience covers an area equivalent to three basketball courts and includes more than two hundred artifacts, still and video imagery and a range of visual displays and interactive experiences.

---

**Lunchtime Café**

Look out in the next newsletter for the story on our ‘Lunchtime Café’ project which was part of the Talk About Program run at school.
